BistoCon 2016 Programme Book

August 19 – 21, 2016

La Quinta Inn & Suites

Romulus, MI

Welcome to BistoCon!

Welcome to the second BistoCon, celebrating our favourite Professionals, Bodie and Doyle. Since everyone seemed to enjoy the first con, we thought we'd try our luck and put on one of these things again. We couldn't have done it alone, and we have to give thanks to Cyanne, Kat, Krisser, Sno, Cindy, Beth and Flamingo for providing support, moral and immoral. A big thank you as well to all of our lovely panelists.

FJBryan & P.R.Zed

During which episode do you think the lads changed their relationship completely? Or, if you don't believe in hearts and flowers, when did they become fuck buddies?

The con is winding down. What did you like? What did you think could have been better? What do you think we should do next time?
